Dear Kimberly:

On behalf of the Town of Bolton, I have reviewed the approval notification including conditions and accept the conditions as listed. The scheduled date to begin remediation work is May 16, 2011. For our outreach activities to the school community on the PCB remediation work, letters will be distributed to all staff and parents. In addition, we will post the information on the Town's and school's websites. Copies of materials will be sent to you and CTDEP.

If you require any additional information or have any questions, please do not hesitate to contact me.

Sincerely,

Joyce M. Stille
Administrative Officer
